

Congratulations!!!! I am so proud of all of you. Lots more information will follow this but I need to have you do some important tasks. By MARCH 12th I need each of you to email me at **clintfisher02@hotmail.com**. In this email, I need you to give me your name, with the correct spelling and email me from the email address that you want me to use. I know I have already gathered this info from you but I want to double-check my list. This way, when I send you emails, prior to our first rehearsal day, I won't get any that bounce back. If you do not have an email, either use one of your parents or sign up for a free account. I communicate a lot via email so it is essential that everyone have one.

Please also have your parent email me, from THEIR email account. In this email please have them type their name and your name. This way I can add their email to the parent email list. It is essential that I have an email address for you and for your parent(s). If you are sharing an email that is fine, just let me know that.

We offer private lessons to build your skills. I highly encourage EVERYONE to take lessons. Whether you have spun for 8 seasons or this is your first, we all have things we can work on. We have cast 38 people in our fall program at this time I cannot say that everyone will be performing the entire show. It will take us several weeks to assess the colorguard's talent level and the strengths of each member. If you are interested in private lessons with Alison, **which I encourage every member to take advantage of**, then please contact her. Remember, you can take private lessons on flag, rifle, sabre and dance. Please contact Alison at alimhun@aol.com or alison@wgi.org or her cell phone (937) 902-1678. If you schedule a lesson and fail to show up for it, you are still responsible to pay for that time. More information will be coming for all those interested in a weapon spot. Private lessons are \$10 for a 30-minute slot and they will start in May. I will be sending more information about all this as we progress through the next few months.

If you have any questions or need me just shoot me an email. If for some reason you are not ready to accept this performing spot I need to know ASAP.

I am so happy to welcome all of you to the 2010 cast of the Lakota West Fall Guard. It is going to be an awesome ride, get ready to work hard and have some fun!!!
